CHEESE Co.

PRODUCT CATALOGUE

100% NATURAL CHEESE

Established in 2001, DairyWorks is built on the types of innovation that have made New Zealand a world leader in branded dairy products. From entrepreneurial beginnings, we've gone on to launch many products and brands across retail and foodservice sectors.

Our Foodservice team is focused on delivering innovative, quality, natural cheese products and specialise in tailoring products to meet your application needs, and the demands of your customers to create better experiences for all.

Our company purpose, quite simply, is to Make Life Easier.

Made using non-animal rennet – this parmesan has full flavour, while being vegetarian friendly.

DairyWorks Vegetarian Parmesan Shred

Case Count 2x5kg

DW Code 110470

Made using non-animal rennet – this parmesan has full flavour, while being vegetarian friendly. Italian style parmesan shred provides full flavour to any dish.

SPECIALTY CHEESE

Talbot Forest
Cumin Gouda

Case Count	12x150g
DW Code	110529

Nutty, firm but creamy, with a strong aromatic cumin flavour. A cheeseboard essential, and good cooking cheese.

Talbot Forest
Gruyere

Case Count	12x150g
DW Code	110555

Creamy and fruity in flavour. The perfect melting cheese.

Talbot Forest
Havarti

Case Count	12x150g
DW Code	110558

Sweet and creamy, a semi soft cheese ideal for cheeseboards or in toasted sandwiches or paninis.

Talbot Forest
Peppered Havarti

Case Count	12x150g
DW Code	110557

Sweet and creamy, a semi soft cheese with a punchy peppered exterior. Ideal for cheeseboards.

Talbot Forest
Smoked Cheddar

Case Count	12x150g
DW Code	110553

Rich, bold and earthy flavours, level up your burgers and paninis.

Our Talbot Forest Range can be cut, sliced, diced and shaved. It can be melted, grilled, served raw or accompanied.

It can be the centre piece and the compliment, and when all is said and done, people will definitely be talking about it.
